

The image features a central, blue-tinted view of the Earth from space, showing continents and clouds. The background is a dark, starry space. Overlaid on the Earth are several ethereal, glowing blue and white light patterns that resemble energy fields or particle tracks. The text 'IN THE BEGINNING GOD' is prominently displayed across the center. 'IN THE' is in a smaller, white, serif font. 'BEGINNING' is in a larger, white, serif font. 'GOD' is in a very large, light blue, serif font, with the 'G' partially overlapping the 'N' of 'BEGINNING'.

IN THE
BEGINNING GOD

Outline:

1. Creation provides us a right understanding of who our God is
2. Creation provides us a right understanding of who we are
3. Creation provides us a right understanding of what Christ has done for us

Application:

A right view of creation can show us...

1. That our God is over all things
2. That our identity is found in something so much bigger than ourselves; God
3. Not just a creator God, but a personal God who desires a relationship with us
